

COMPLETE CARE SYSTEM

For ex-fleet yachts we offer a selection of support packages

PEACE OF MIND THAT YOUR YACHT IS BEING MAINTAINED BY PROFESSIONALS IN YOUR ABSENCE

HAUL LAUNCH & WINTER CARE

This includes taking the boat from its mooring, hauling it into our local boat yard, pressure washing the hull and storage on land for up to six months. Shore power will be connect to ensure batteries remain charged and dehumidifier will also be provided. Regular checks carried out to ensure prime condition, anything found will be reported. One coat of antifoul is applied before re-launch.

COST € 235.00 per metre

SUMMER CARE (MAY - OCT)

If you wish to leave your yacht on anchor in Vliho Bay during the summer season we will look after her with regular checks and running the engine. We can also arrange for the boat to be hauled and stored out of the water in the boat yard for a maximum of 2 months. Fee includes launching the yacht and having it ready on the quay on arrival.

COST (IN WATER) € 8.00 per day

COST (OUT OF WATER) €40.00 per metre

ENGINE & GEARBOX SERVICE

Normally completed at the end of the season, includes oil change for engine and gearbox. Fuel filters change. Replace coolant and flush the cooling system. Exhaust elbow removal and cleaned. Deep clean of engine and respective bilge areas. Report of condition and maintenance advice for the future will be provided.

COST up to 30HP € 390.00 31HP to 75HP € 610.00

SAILS & CANVAS CLEANING

Normally completed at the end of the season, includes washing and checking of sails, bimini and spray hood. Soaking of lines where possible to remove salt. Refitting and adjusting at start of season. A report will be provided to confirm condition, any repairs are at an additional cost.

COST € 25.00 per metre

TURN ROUND, MID SEASON OR DEEP CLEAN

This includes a clean when you leave the yacht, laundry, wash down of decks and cockpit, then prior to your return, a check of the boat and further wash and wipe so she is ready for immediate use. The deep clean removes mattress and cushion covers and includes bilges lockers etc.

TURN ROUND CLEAN € 70.00 (whilst you are using your yacht)

MID SEASON CLEAN € 120.00 (In season if you leave your yacht)

DEEP CLEAN € 210.00 (Ideal for winter and spring clean)

ROUTINE & WINTER ENGINEERING CHECKS

This involves a series of engineering checks to ensure your yacht is maintained in top condition (120 points on an in season check, extensive on a winter check). We will attend to minor reported and discovered faults during these checks. A report will be provided high-lighting any additional repairs or maintenance required.

ROUTINE CHECKS € 80.00 (in season checks)

EXTENSIVE CHECKS € 180.00 (Beginning & end of season checks)

OUTBOARD SERVICE

Normally completed at the end of the season, this Includes draining the fuel, change of engine and drive oils, spark plug, filters anodes and impellers. This includes dry storing your dinghy over winter, a report will be provided high-lighting any additional repairs or maintenance required.

2.5HP COST € 50.00 5HP COST € 130.00

“A GLAZE” TOPSIDES & DECKS

Normally completed at the start of the season, and includes a 3 part treatment which when applied impregnates into the GRP surface forming a protective barrier allowing dirt to rest on top of the glaze and not penetrate it or permanently stain the boat. This makes cleaning easier and improves the performance of the vessel also adds quality UV protection to your yacht. GRP repair and compound polishing required will be at an additional cost.

COST € 40.00 per metre

TEAK CARE

Cleaning of teak normally carried out during the winter. This A Glaze treatment maintains the original light brown colour of the teak for a longer time. Lasts up to 4 times longer than teak oil and up to twice as long as teak sealers. Totally environmentally friendly as it's 100% water based.

COST € 12.00 per metre

EMERGENCY ASSISTANCE

We have an on-water “A-A” support service, which gives you immediate access to an engineer who will be able to advise on any problems. The subscription gives you engineering support at base in Vliho and a call out facility in the South Ionian.

COST € 4.00 / DAY May to Oct. CALL OUT € 75.00 per hour

STAINLESS STEEL FABRICATION SERVICES / ADDITIONAL WORK

We are now able to offer a full range of stainless steel fabrication services. This includes manufacture and design of bespoke gantries with solar panels, also outboard cranes and modified bow rollers to accommodate Rocna anchors. Please enquire for a quote.

Additional works requested on your yacht will be charged at a rate from 35.00 Euros per hour, 20% will be added to the cost of all materials used. In some cases quotations may be possible.

You must confirm you have made your insurers aware of our involvement for maintaining, moving, and looking after your yacht. Although we will use our best endeavours to look after your yacht, we do not take any liability for damage no matter how it's caused. All prices are subject to change without notice. VAT is applicable to all prices. No responsibility can be taken for the accuracy of the information supplied in this document.
